Rapid® HYDRAULICS & PNEUMATICS

EXITFLEX® Hydraulic Hose & Fittings

EXITFLEX® Pressure Washer Hose 6K 6000 PSI

The 80-PW6K-06 is a non-marking, abrasion and ozone resistant high pressure cleaning hose. Used in heavy duty application with hot or cold water. It is extremely flexible, non marking, light weight and easy to handle. Not suitable for steam and oil applications.

REINFORCEMENT:
Double braided high tensile steel
INNER TUBE: Black colour, synthetic rubber resistant to hot water.
COVER: Grey colour, synthetic rubber resistant to abrasion and weather, oil & ozone.
TEMPERATURE: -40°C to +155°C
SAFETY FACTOR: 3:1
